

Criteria for Board Members:

Potential applicants should:

1. Possess a general scientific knowledge of the fields covered in the journal and be skilled in the arts of writing, editing, critical assessment, negotiation, and diplomacy.
2. Review manuscripts submitted for publication according to the journal editorial policies and timeline.
3. Source and invite high-class researchers and reviewers as broadly as possible and reach out to world experts in the field to contribute to the journal, particularly for special themed issues.
4. Seek out and review articles reflecting the latest and most relevant research results in the field.
5. Promote the journal's content to colleagues in relevant fields and inform scientists working in similar fields about articles of interest.
6. Participate in reviews of the JMVH as required by the editorial production process.
7. Inform cited authors about their citation and express thanks through other AMMA communications.
8. Promote the most noteworthy articles through other AMMA communication channels.
9. Promote the journal by distributing flyers and promotional material at conferences and meetings attended.
